### FROM THE EMPLOYES.

Mr. Thomas McDonald Gets a Very Handsome Present--- A Delegation of Steel Workers Present Their Retiring Foreman With a Valuable Gold Watch.

About 7 o'clock on Saturday evening, marched to the residence of Mr. Thos. have been grossly misrepresented abroad Kentucky to fill this important posi- Mr. Leach showed me his garden and the usual formality that attends such the moral and material inducements wondered at when we reflect on the large number of shrabs and forest trees occasions, presented to that gentleman she offers to immigration and invest- amount of superior material to be had of all kinds, white and black walnut, an elegant gold watch and chain.

The presentation was made inciden- ficial. tal to him severing his connections as Night Superintendent of the converting department of the Edgar Thomson Steel Works, to accept a similar position at the Allegheny Bessemer Steel Company's plant at Duquesne. Mr. Mecoming, and was unable to express his and attests in striking degree the the welfare of state or country to cast coming, and was unable to express his smount of proficiency generally consurprise as they formed a semi-circle in the front yard of his residence, as he came out to greet them upon their arrival. Mr. John Hutzen, of North

many friends, to express to you our feelings of regret, in the loss of you, as one in whom we have always had the most explicit confidence. We have at all times found your treatment fair, ment honorable. We realize that we are about to lose a friend, and a worthy foreman. Your example has been such, that it would be worthy of imitation by others in similar positions. We are glad to know that it was ever the height of your ambition to perform your duty faithfully to your employers, ever working to further their best interests, never tiring to do good, and knowing that our Company has lost one of its very best men, the employees a kind and considerate friend, we trust that as you enter erate friend, we trust that as you enter your new field of labor, that your rela-

your new field of labor, that your rela-tions with men and employer may be as satisfactory, as it has been with us.

We now feel justified to present to you a trinket, as a slight testimonial to you, on behalf of your many friends at the Edgar Thomson works,—this ele-gant gold watch and chain, trusting that you will accept it in the same spirthat you will accept it in the same spir-ti of friendship as it is given, and as at times you through the journey of life, remember the kind feeling of your James C. Patton, many friends.

The receiver was scarcely able to re ply, so thoroughly had he been taken by surprise. However, he managed to collect himself, when he said: "I must say I am surprised, and all else I can say is, that I thank you very heartily.

In whatever position I am placed, I will always look back to the Edgar

## Coughing

S Nature's effort to expel foreign sub-stances from the bronchial passages. Frequently, this causes inflammation and the need of an anodyne. No other expectorant or anodyne is equal to Ayer's Cherry Pectoral. It assists Nature in ejecting the mucus, allays irritation, induces repose, and is the most popular of all cough cures.

mest popular of all cough cures.

"Of the many preparations before the public for the cure of colds, coughs, bronchitis, and kimired diseases, there is none, within the range of my experience, so reliable as Ayer's Cherry Pectoral. For years I was subject to colds, followed by terrible coughs. About four years ago, when so afflicted, I was advised to try Ayer's Cherry Pectoral and to lay all other remedies adde. I did so, and within a week was well of my cold and cough. Since then I have always kept this preparation in the louise, and feel comparatively secure."

— Mrs. L. L. Brown, Denmark, Miss.

"A few years are I took a severe cold."

Mrs. L. L. Brown, Denmark, Miss.
"A few years ago I took a severe cold which affected my lungs. I had a terrible cough, and passed night afternight without sleep. The dectors gave me up. I tried Ayer's Cherry Pectoral, which relieved my lungs, induced sleep, and afforded the rest necessary for the recovery of my strength. By the continual use of the Pectoral, a permanent cure was effected."—Horace Fairbrother, Rockingham, Vt.
